UNDER A BRITISH FLAG.

America's Donation to India Will Be Shipped.

Washington, April 20.—The vessel which has been secured for the conveyance to Bombay from New York of the relief supplies for the Indian famine, known as the "India Relief," will be ready to receive the same under the American flag, but no available craft is found. The steamer will not be in condition to receive the supplies until the arrival of the vessel which will sail from England next Friday. The Indians have agreed to pay half the cost of the chartered vessel, and the agent who will be in charge of the vessel will be a British subject.

The Navy Department has telegraphed the Navy Department to instruct that the persons who were supplying the food to make up the cache had served to increase their contributions from \$10,000 to \$50,000, the full amount of the quota.

Catastrophe of some or three immediately relieved and ultimately cured by use of "Boro-Formin" (Dinner & Amparo).
